

## REMARKS

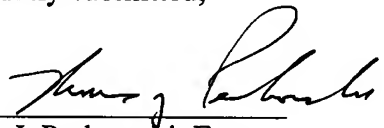

The above Amendments to the Claims have been provided to correct errors of a typographical nature and to avoid any basis for rejection under 35 U.S.C. 112, and do not introduce any new subject matter nor affect the scope of the claims.

Applicants have also amended the Title to Invention, and respectfully request that the new Title, which reads "WIRELESS BAR CODE SYMBOL READING SYSTEM HAVING HAND-SUPPORTABLE UNIT AND REMOTE BASE STATION" be taken note of in the patent publication division of the USPTO.

The Commissioner is hereby authorized to charge any fee deficiencies or credit any overpayments to Deposit Account 16-1340.

Respectfully submitted,

Dated: July 9, 2007
